Pesticide Applicator Certification Continuing Education Units (CEU) Database
Welcome to the Pesticide Certification CEU Database. Any private company, public entity, professional association, training provider or other organization may apply to have a program approved by FDACS to award CEUs to program attendees. CEU Program Providers have the ability to manage attendees of programs which will allow attendees to see earned credits upon completion of a recertification course. Sign up as a provider to get started. Additionally, the site serves as a public search database for license information, exam scores, earned CEUs and upcoming training programs that have been approved for CEUs.
Don't have an account? Sign up now.

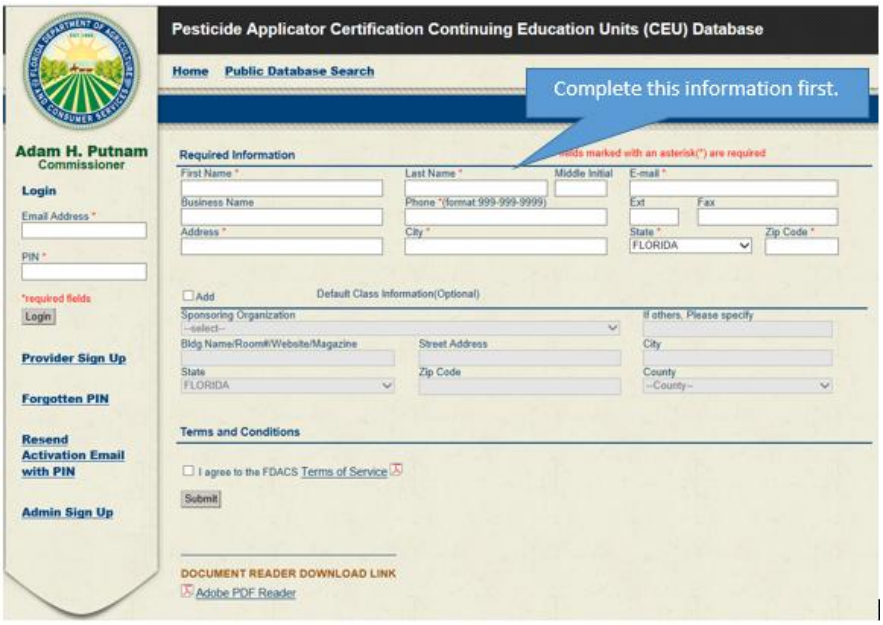
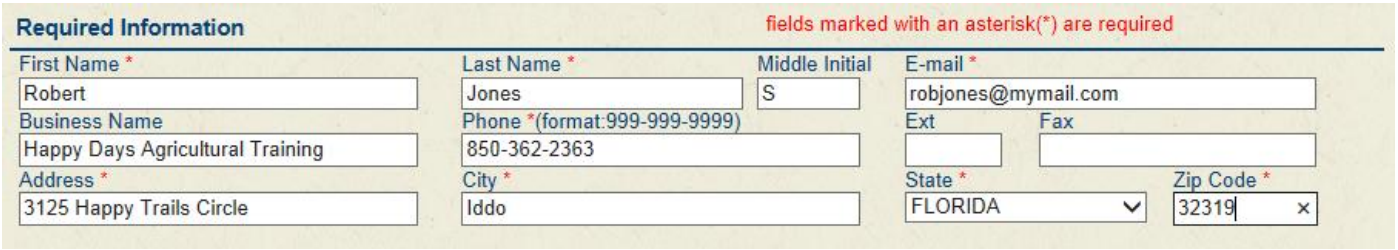
Website Help

Fill in the required information in the top portion of the page. Fields marked with an asterisk (*) are required entries so be sure to enter information into those fields before submitting the information.

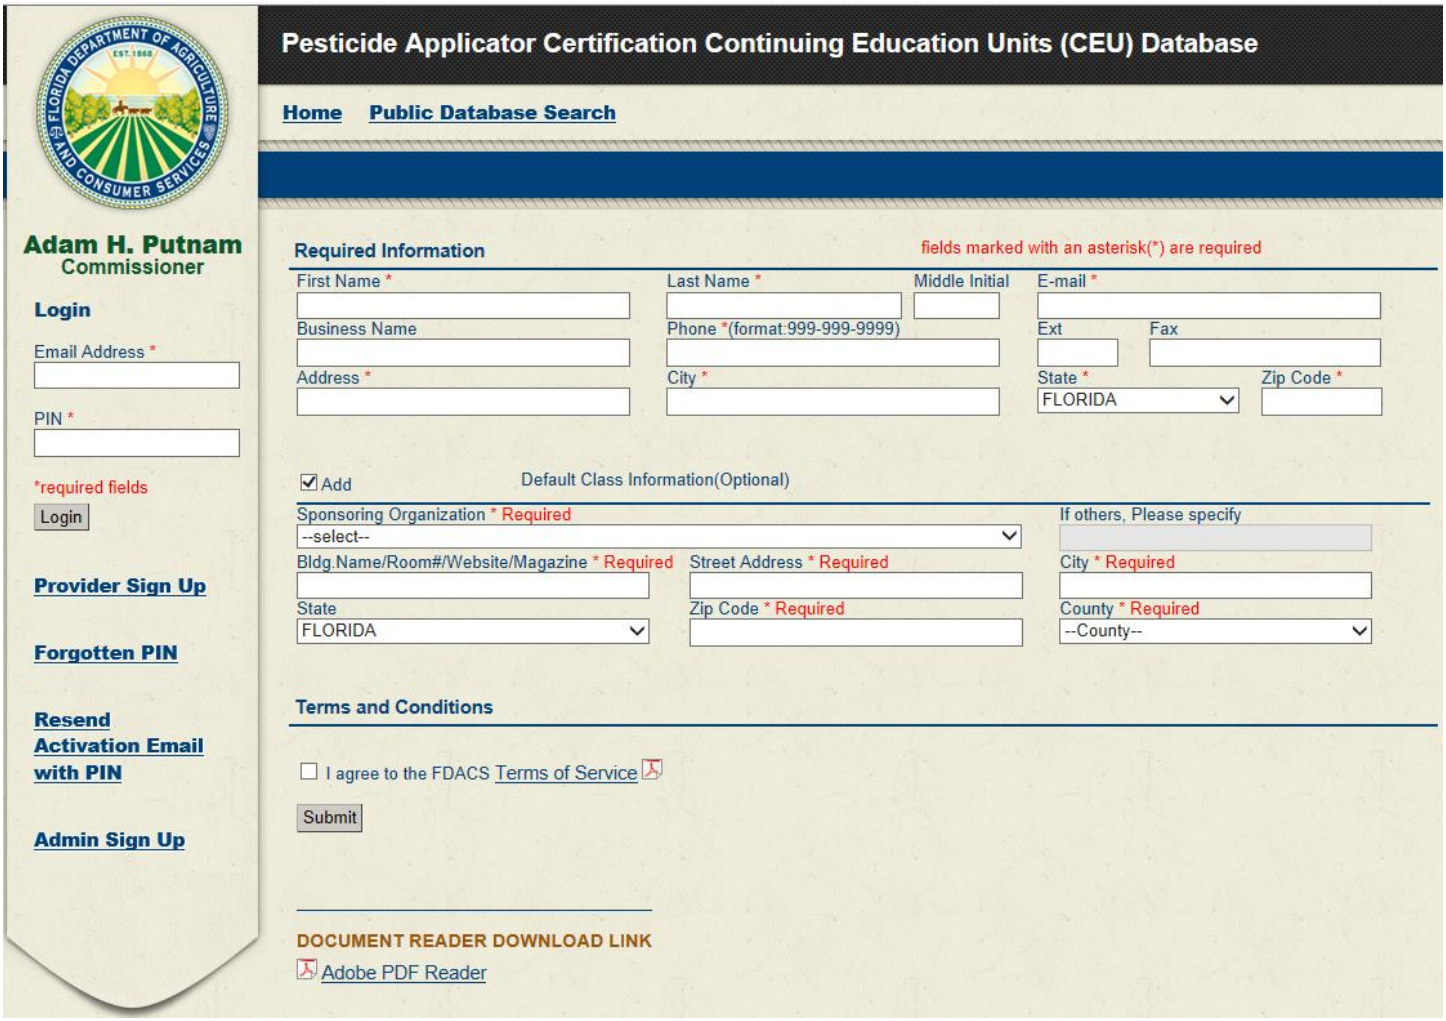


Example:



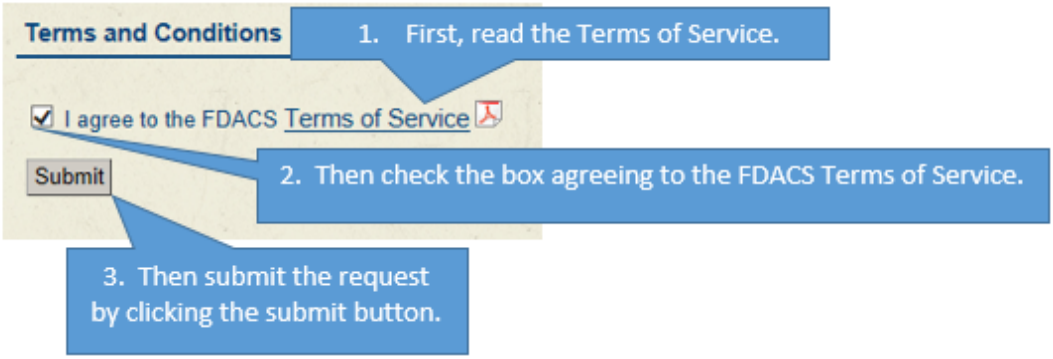
When you check the box to add a default class, the bottom part of the page will become available for information entry. Enter information regarding the class you are about the schedule. This class information will be saved for future program entries.

Again, fields marked with an asterisk (*) are required entries so be sure to enter information into those fields before submitting the information.



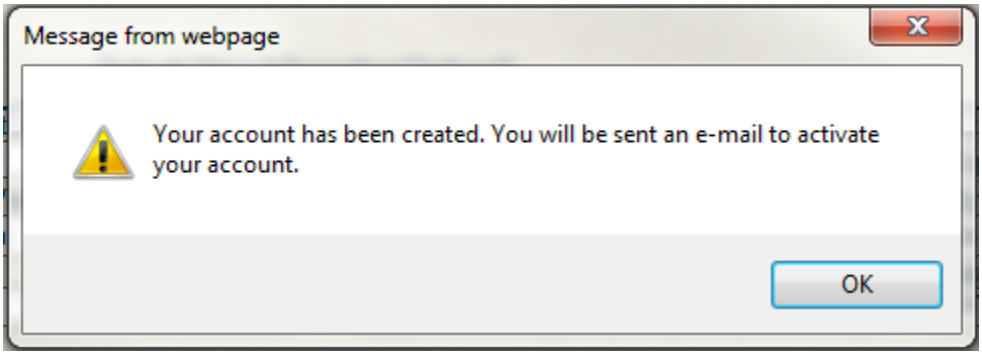
Example:

After entering the class information, read the Terms of Service by clicking the link. Once you understand and agree to the terms of service, check the box that indicates you agree to the FDACS Terms of Service and submit the request by clicking the Submit button.

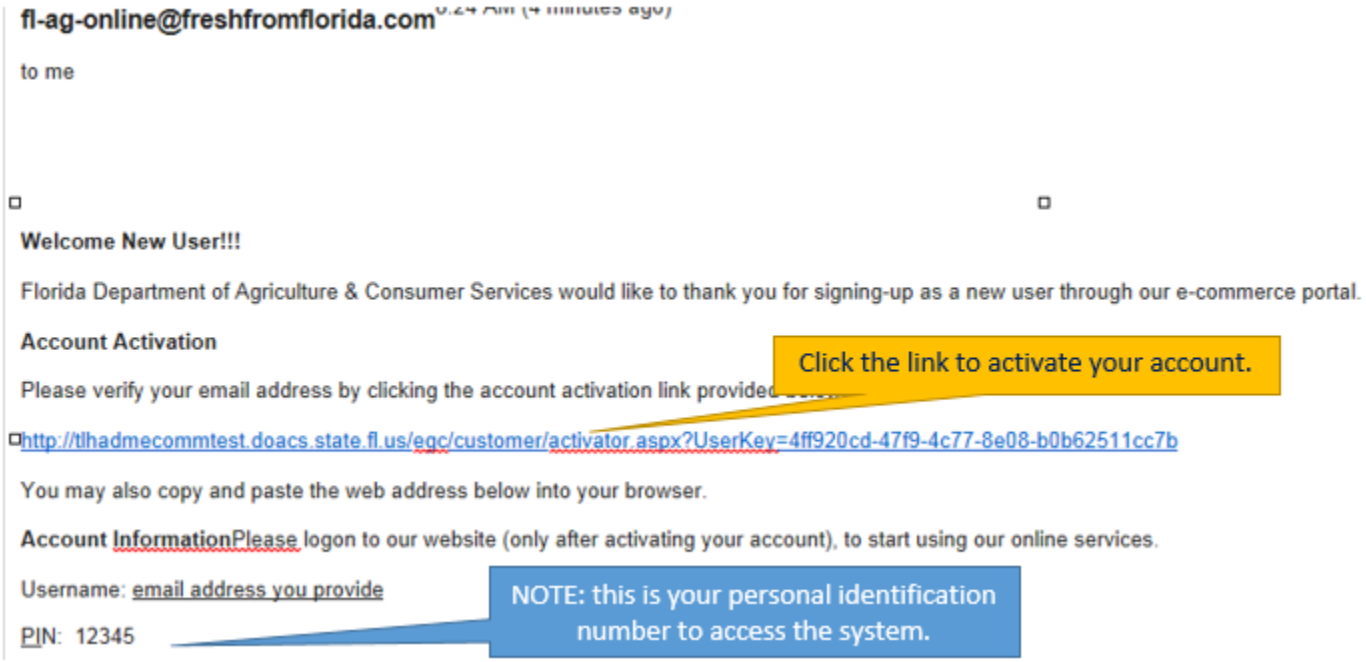


Terms and Conditions
1. First, read the Terms of Service.
I agree to the FDACS Terms of Service
Submit
2. Then check the box agreeing to the FDACS Terms of Service.
3. Then submit the request by clicking the submit button.

After submitting your request, you will receive a message indicating you will get an email for activating your account.



Refer to your email inbox and possibly the junk mail folder to access the activation message. Please be sure that you have added fl-ag-online@freshfromflorida.com to your contacts if you are having trouble receiving the message. The message body will read like this…..



fl-ag-online@freshfromflorida.com

REGISTERED PROVIDER LOGIN

If you already have an email address and PIN number follow these steps.

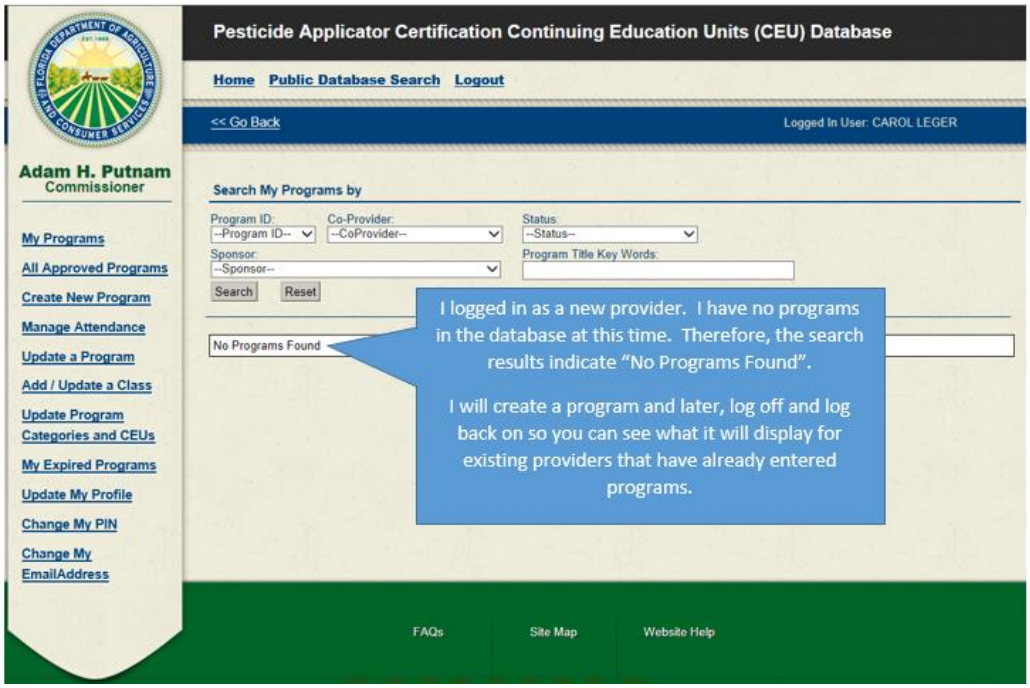
1) Log into the system using your email address and Personal Identification Number (PIN).
2) Click the Login button and you will be logged into the program.

The first page provides a mechanism to search for existing programs and additional menu options.

GETTING TO KNOW THE APPLICATION

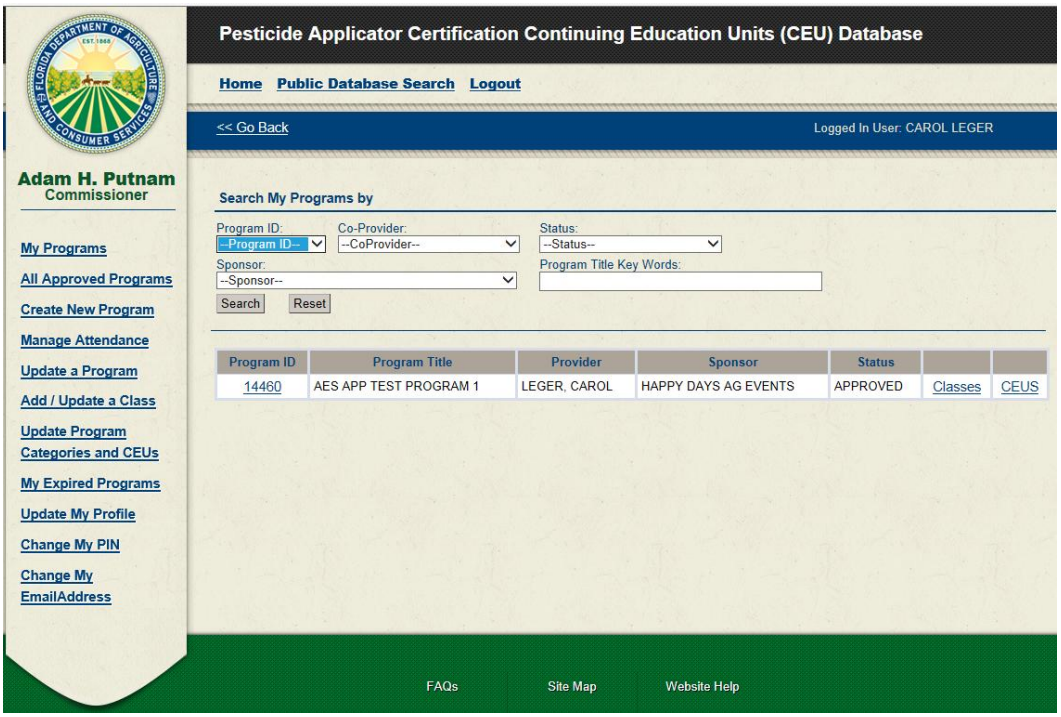
As a new provider, the below screen shot indicates there are no programs in the database for me. I can add classes under another program or create a new program from here.

If you are not a new provider, this page will automatically display programs for which you are the registered provider.



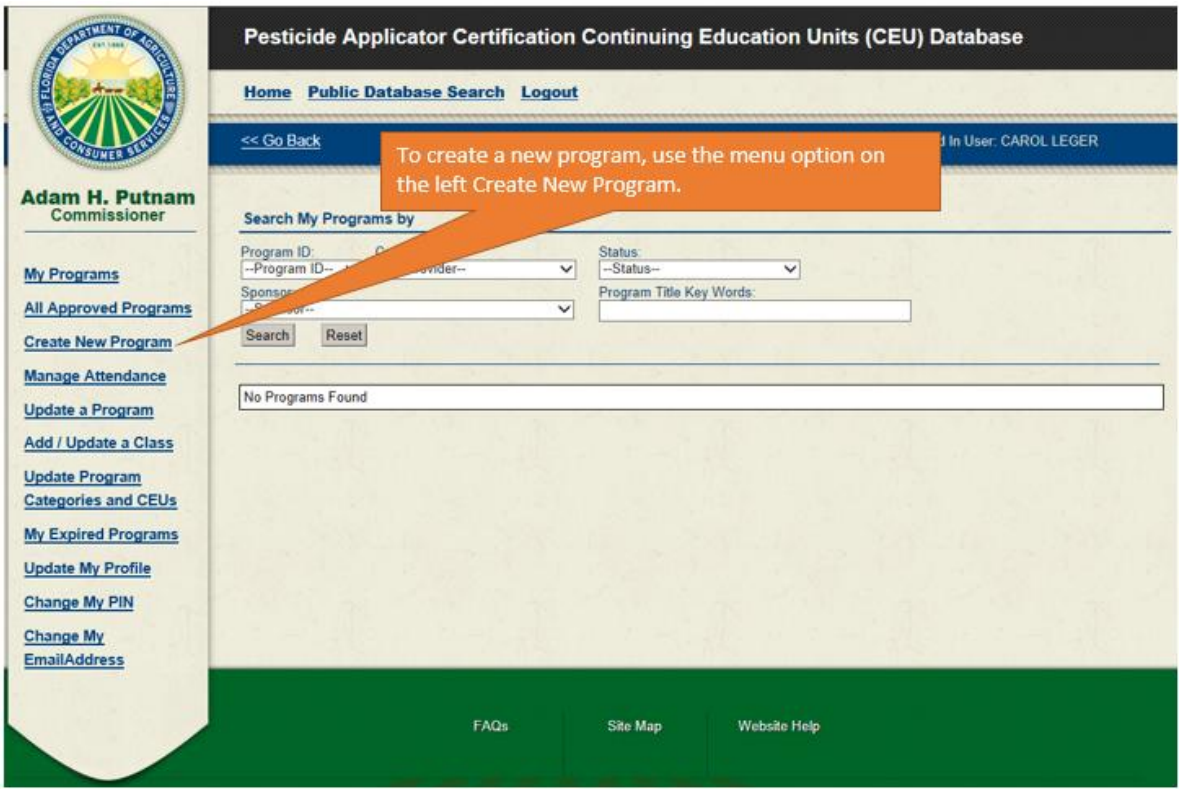
I logged in as a new provider. I have no programs in the database at this time. Therefore, the search results that display upon logging in indicate "No Programs Found".

After I have successfully entered a program, all of my programs will be listed for me at the time I login to the system.



CREATE NEW PROGRAM

To create a new program, use the menu option on the left Create New Program.



There are five steps to creating a new program…..

Step 1: Basic Details

Enter the basic details of the program: Program Title, Program Description, Sponsor (if you want to change it from the default you may have already selected at signup), Program Type, Email address for the program and Program Comments are all part of the program details. Fields marked with an asterisk (*) are required entries so be sure to enter information into those fields before submitting the information. Then click the Next>> button to go to the next tab or you can click the next tab.

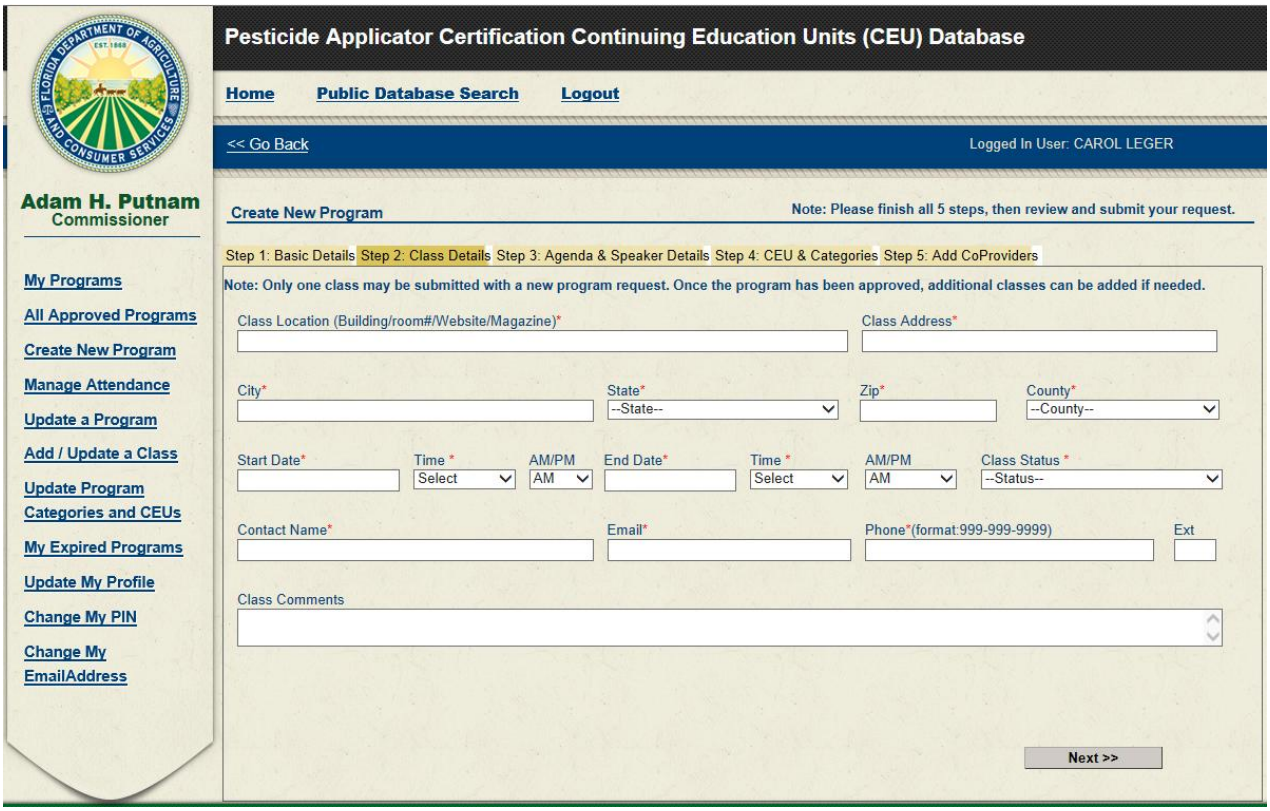
You can click either one of these to go to the next step/tab.
FAQs
Site Map
Website Help

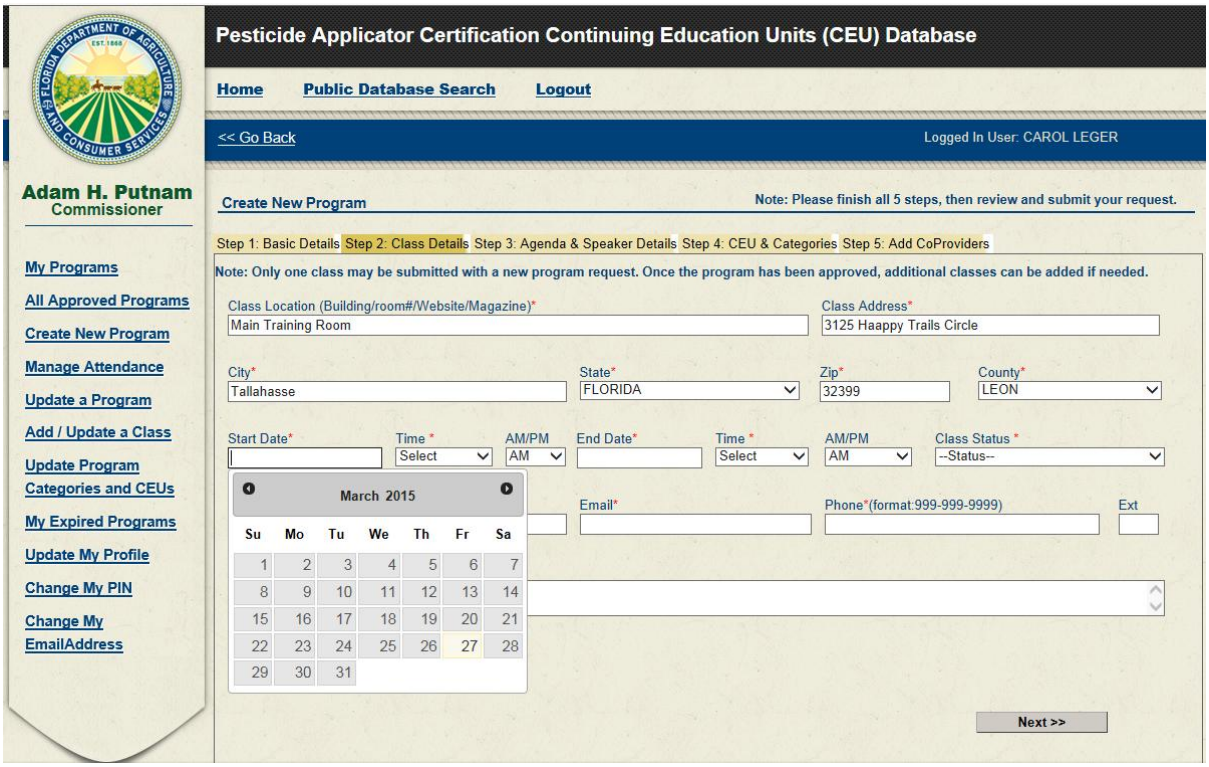
Step 2: Class Details



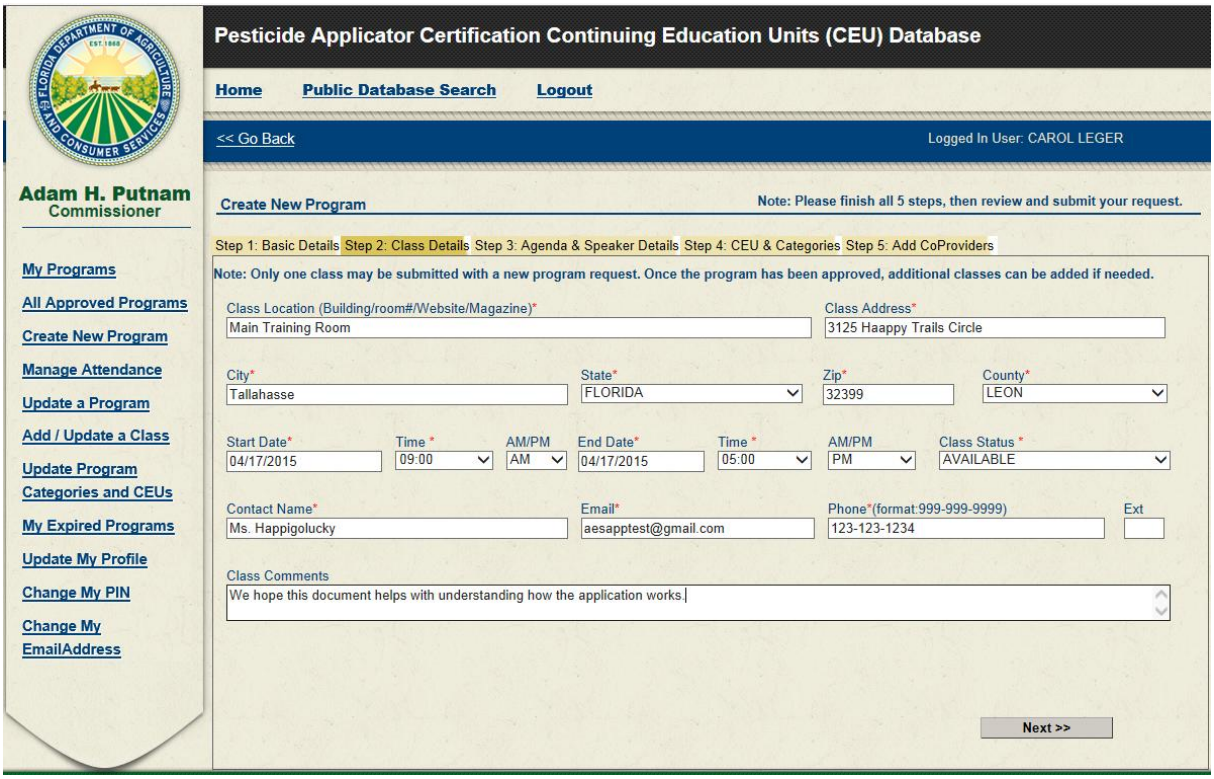
Enter the basic details of the class: Class Location, Class Address, City, State, Zip, County, dates and times, Contact name, email and phone number for the class and Class Comments are all part of the class details. Fields marked with an asterisk (*) are required entries so be sure to enter information into those fields before submitting the information.

Then click the Next>> button to go to the next tab or you can click the next tab.

Selecting the date is used with a calendar popup for easier selection.

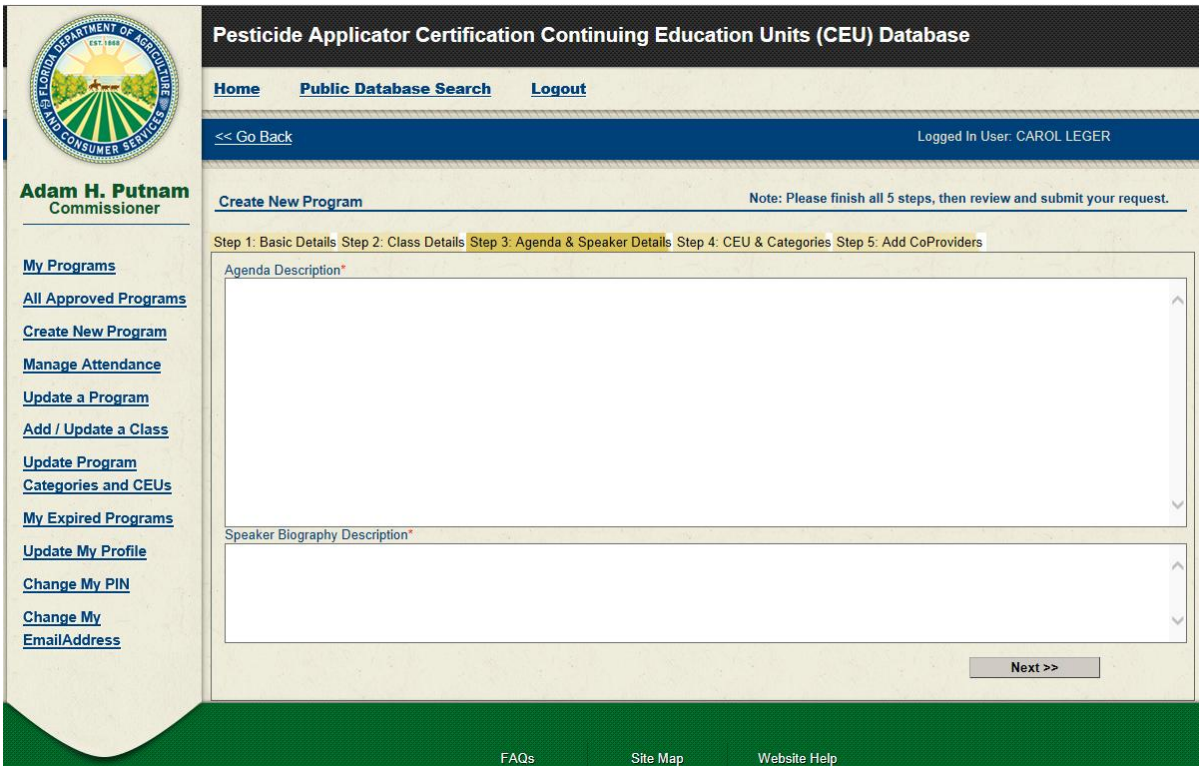


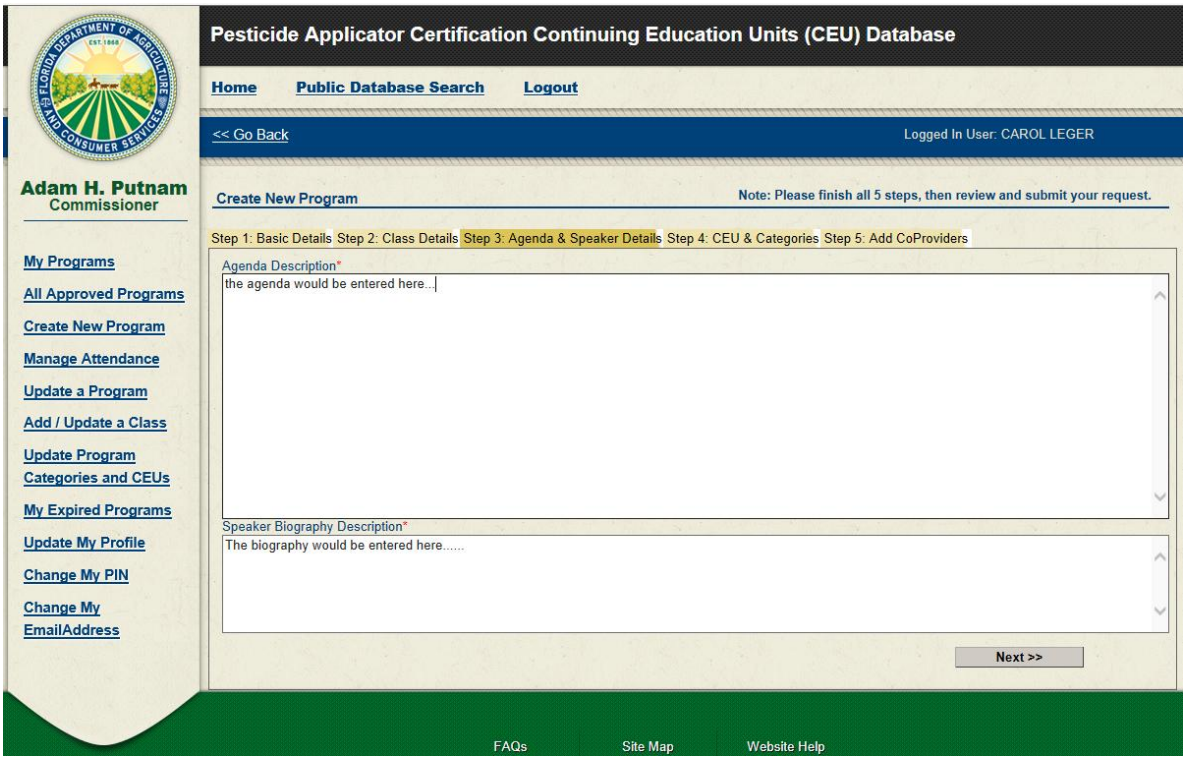
Once you have entered the information pertaining to the class, you can go to the next tab.



Then click the Next>> button to go to the next tab or you can click the next tab.

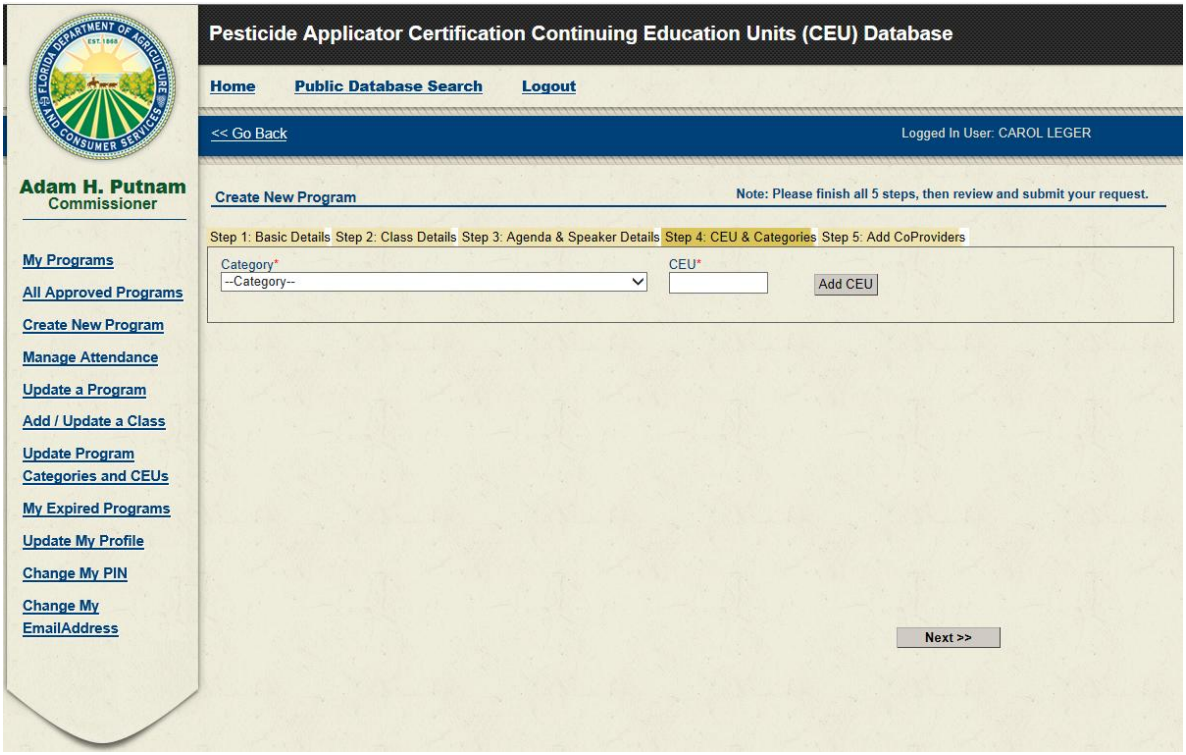
Step 3: Agenda and Speaker Details



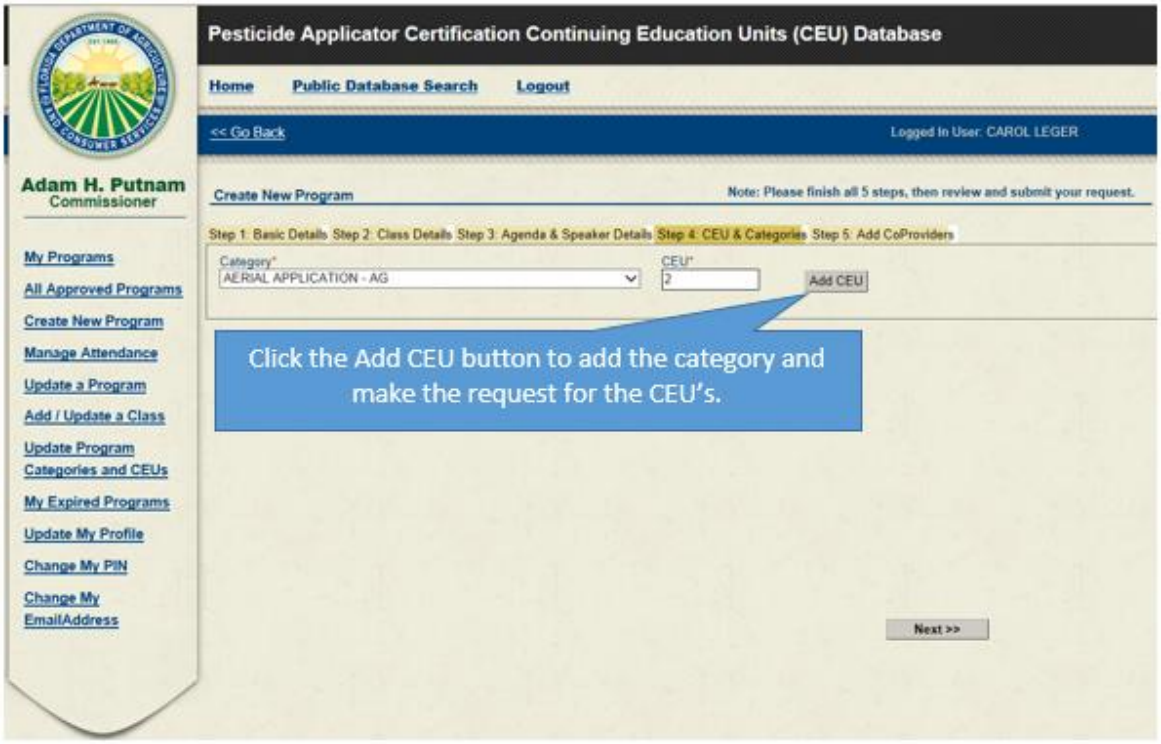


Enter the agenda in the Agenda Description block and enter the Speaker Biography Description in the lower block. The maximum character count is 4,000 per text box. Then click the Next>> button to go to the next tab or you can click the next tab.

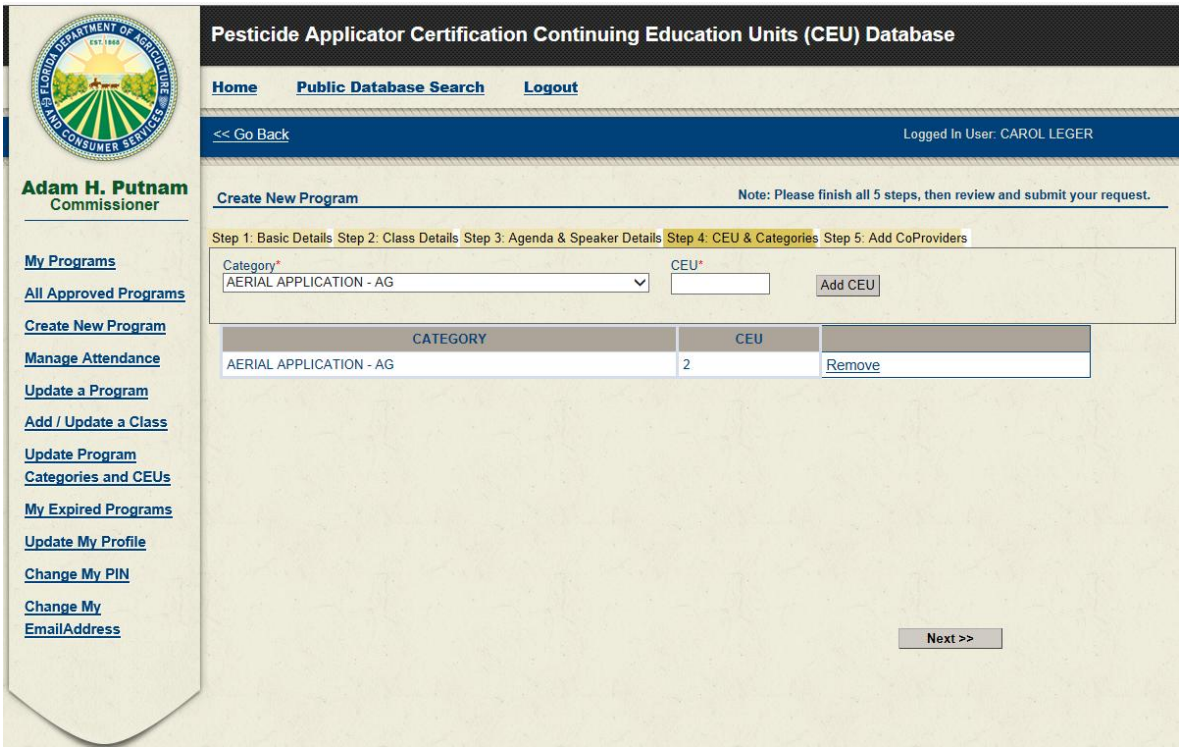
Step 4: CEU and Categories



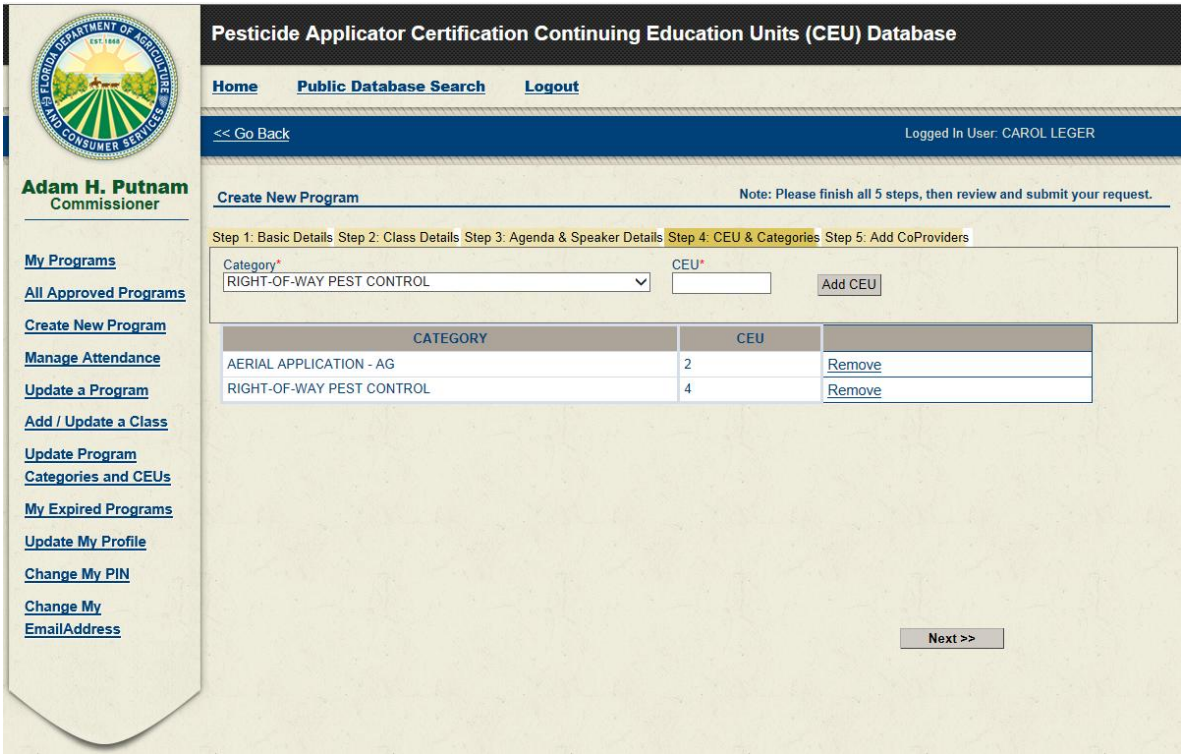
Select the category from the Category drop down list and enter the number of requested CEU's. Click the Add CEU button to add the category and number of CEU credits you are requesting for each category the program covers.



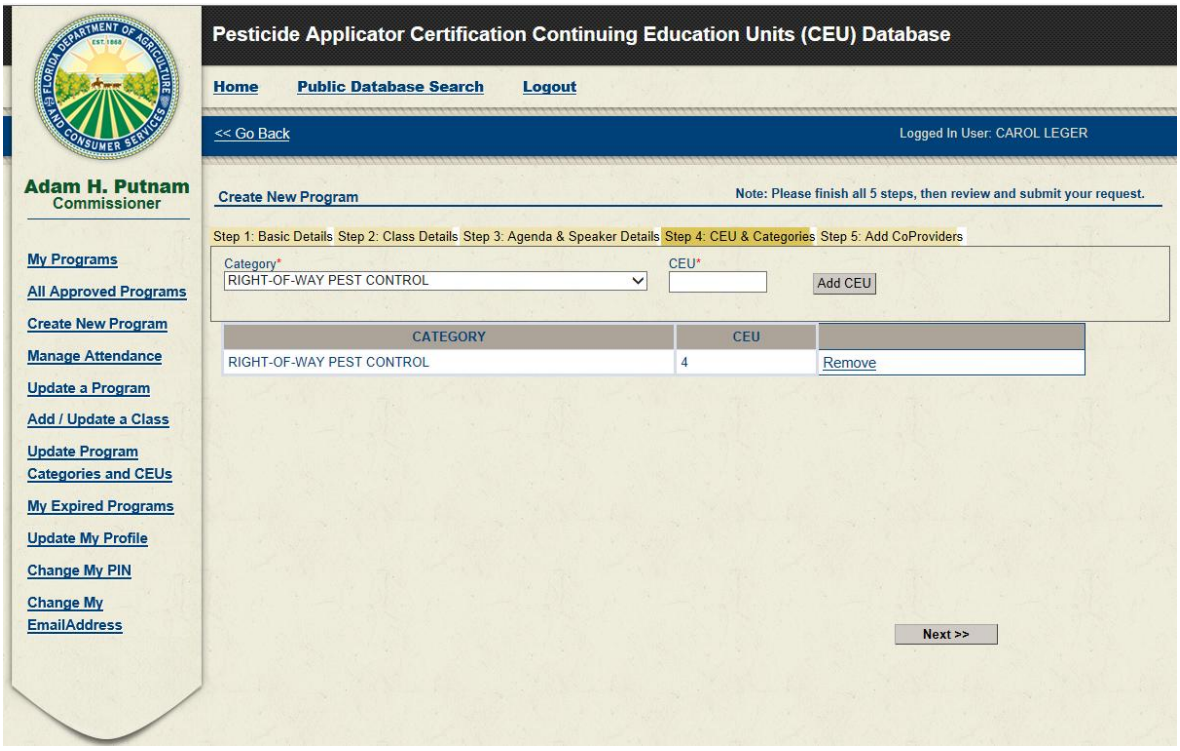
Then click the Next>> button to go to the next tab or you can click the next tab.



If you have more than one category the program class covers, you may add them one at a time using the Add CEU button as shown below.



If you make a mistake in your selection and click the Add CEU button, you may remove the item and make a new selection.



Remove the item by clicking the Remove link on the row containing the item you wish to remove.

The last step is the Co-Provider selection.

Step 5: Add Co-Provider

The idea is the more fields used in the search criteria or the more drop down lists you make selection from before clicking the Search button, the fewer items will be displayed. The list retrieved will include items where the fields or drop down list selections are all part of that program.

MANAGING ATTENDEES

Manage attendees or enter attendees is accomplished by clicking the menu item Manage Attendance link.

You can manage attendance for programs where you are the provider. Select the Program ID from the drop down list for the program in which you must to enter attendance and click the View Classes button.

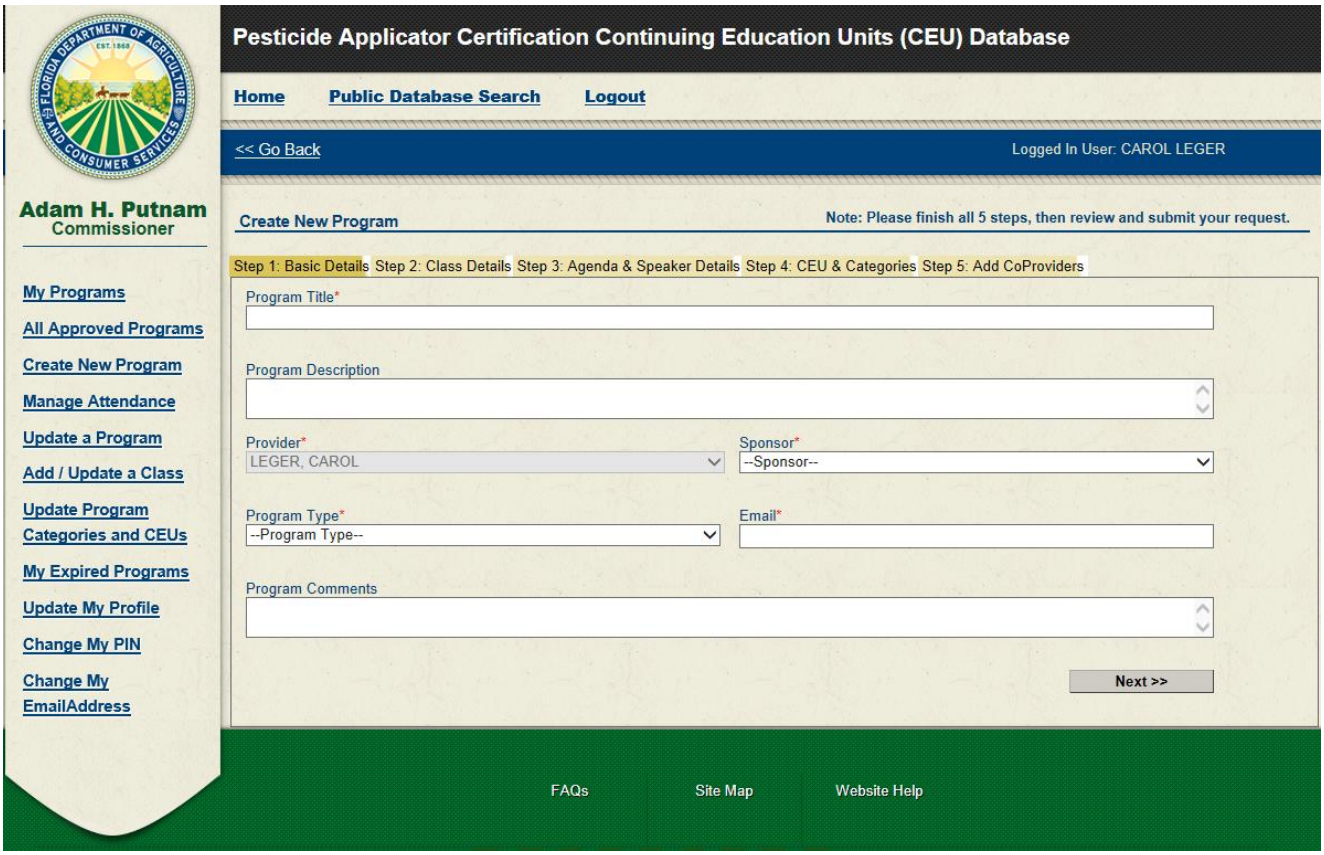
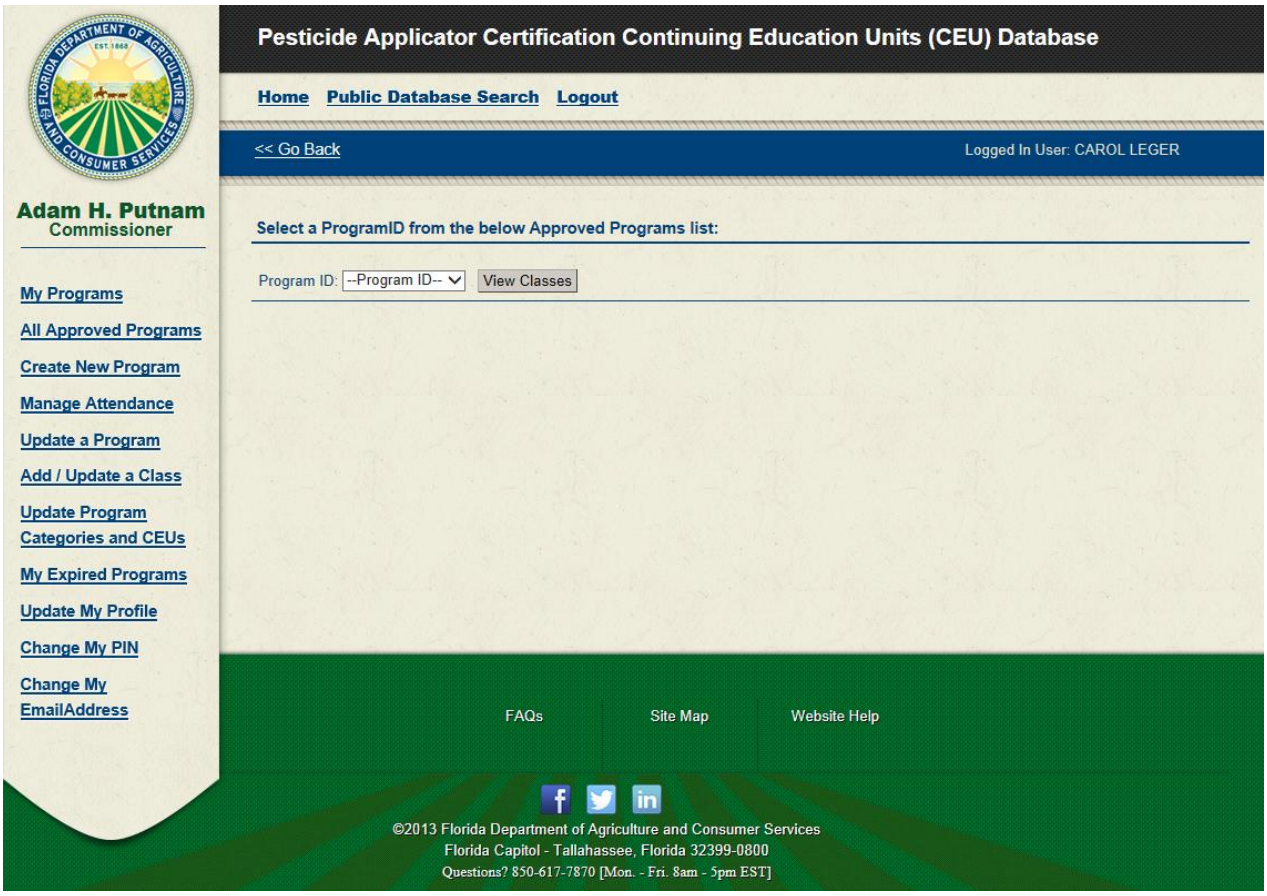
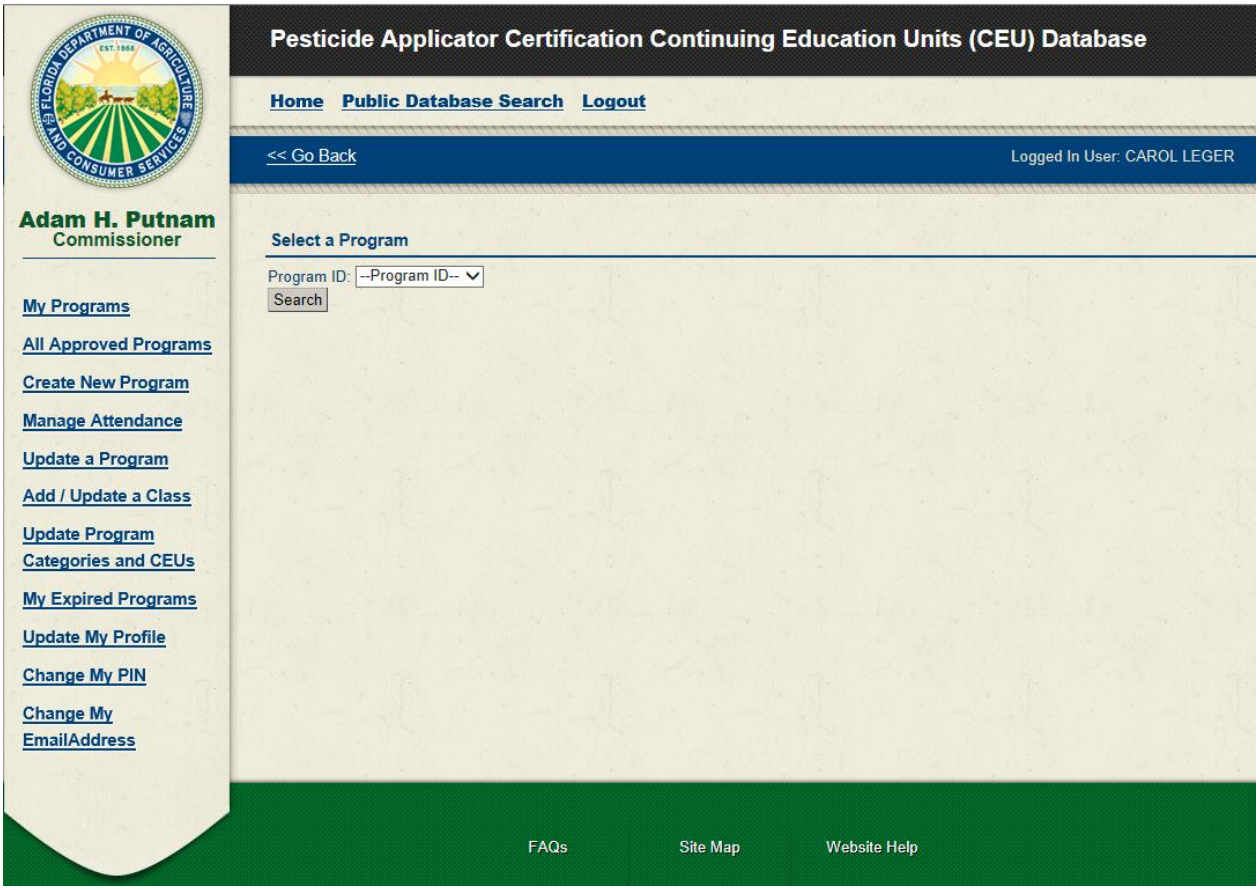
CREATE NEW PROGRAM – opens the page with the 5 Steps to creating a new program



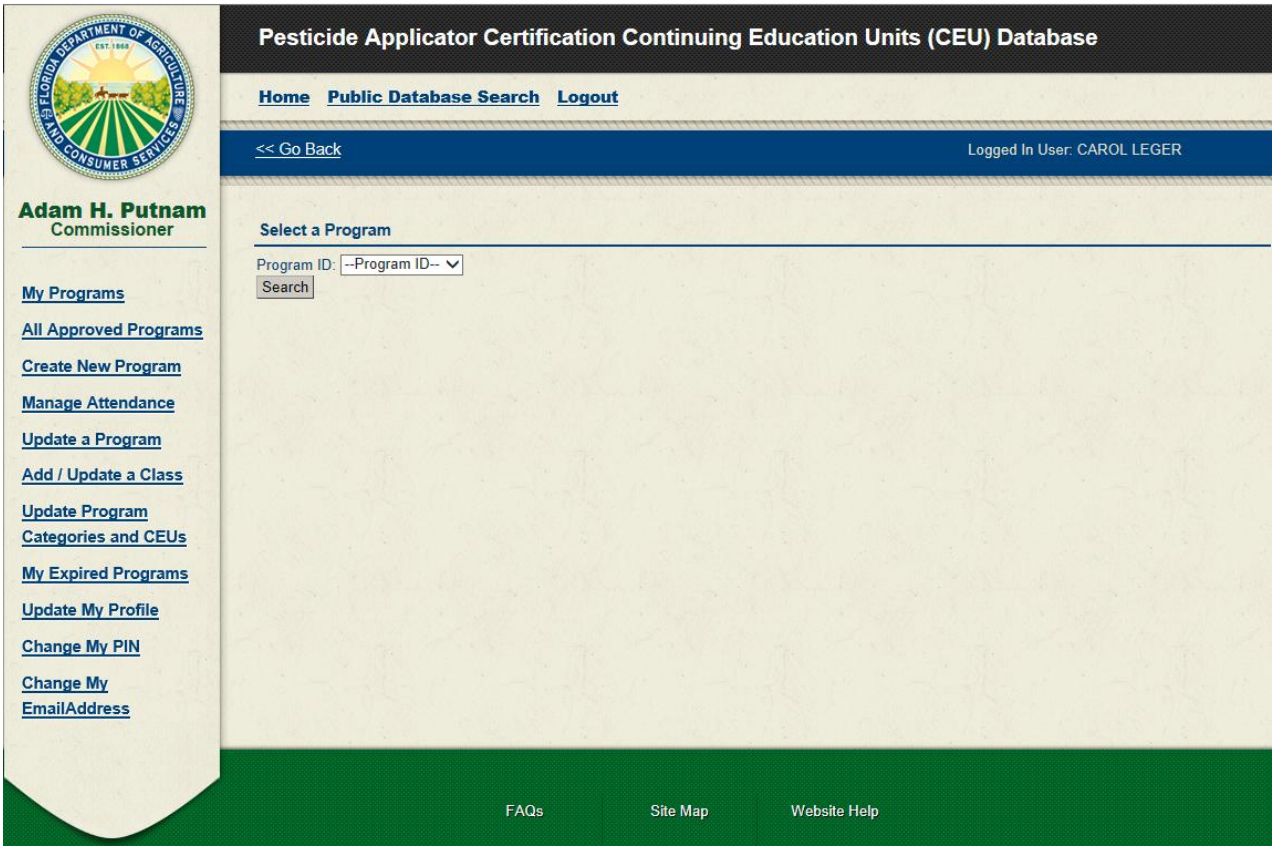
MANAGE ATTENDEES – opens the page to select the program and then classes related to the program for adding attendees to classes and obtaining the record of attendance (CEU) forms.



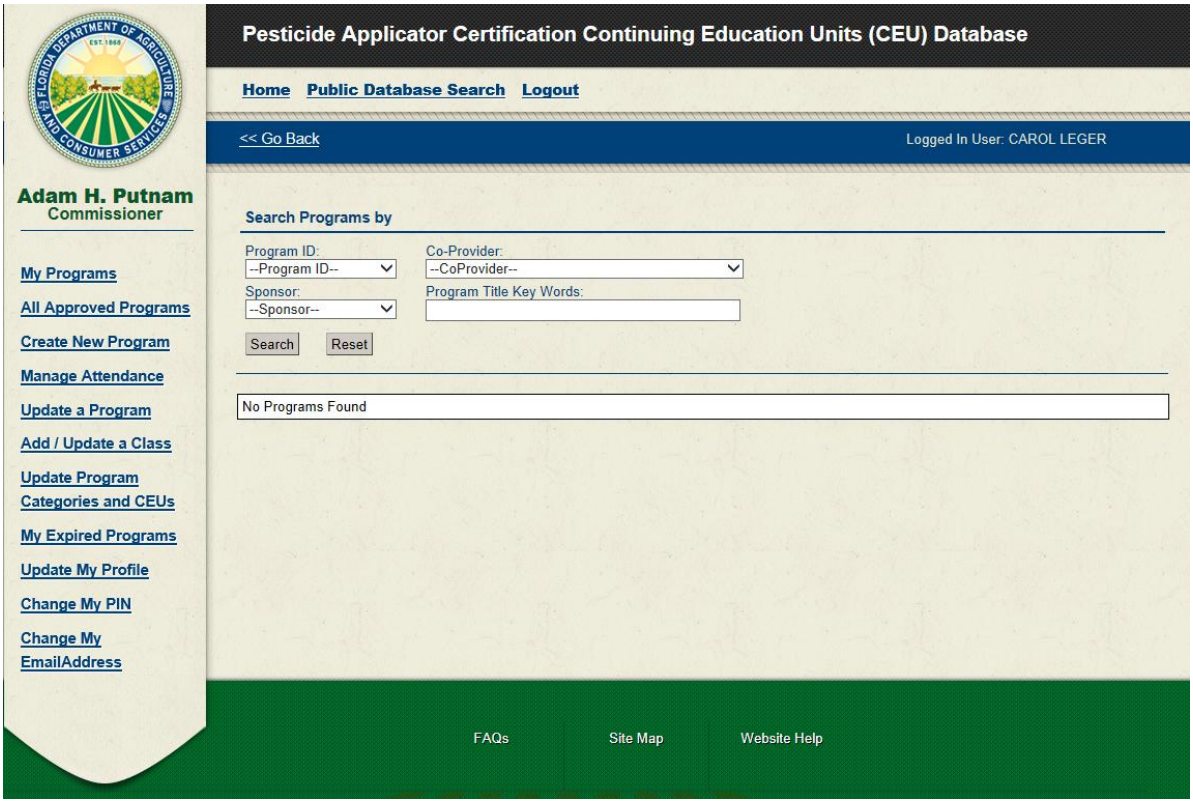
UPDATE A PROGRAM – opens the page to select the program that you desire to change, modify or update.



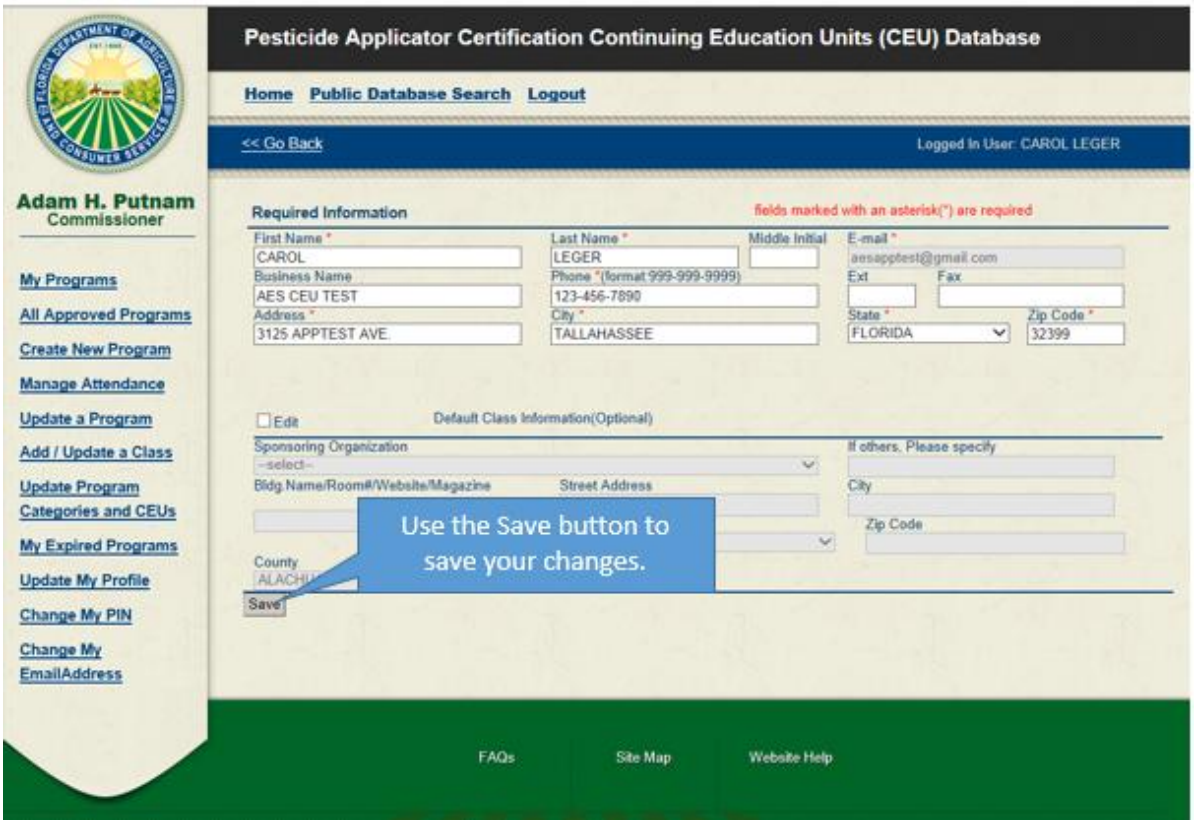
ADD/UPDATE A CLASS – opens the page to select the program ID associated with the class you desire to modify. The search button brings up a list of classes. You would select Class Details to edit the class information.



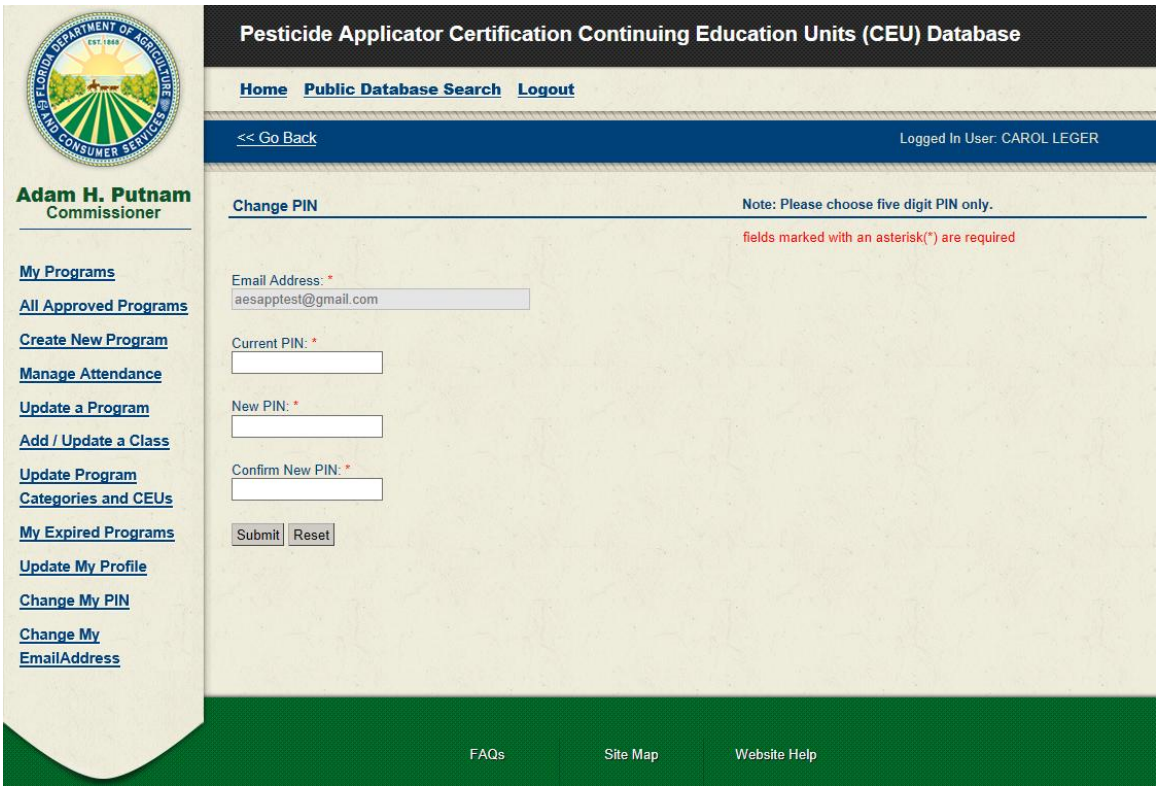
MY EXPIRED PROGRAMS – brings up a list of expired programs. These can be used for reference and are not allowed to be modified. This provider has no expired programs to list.



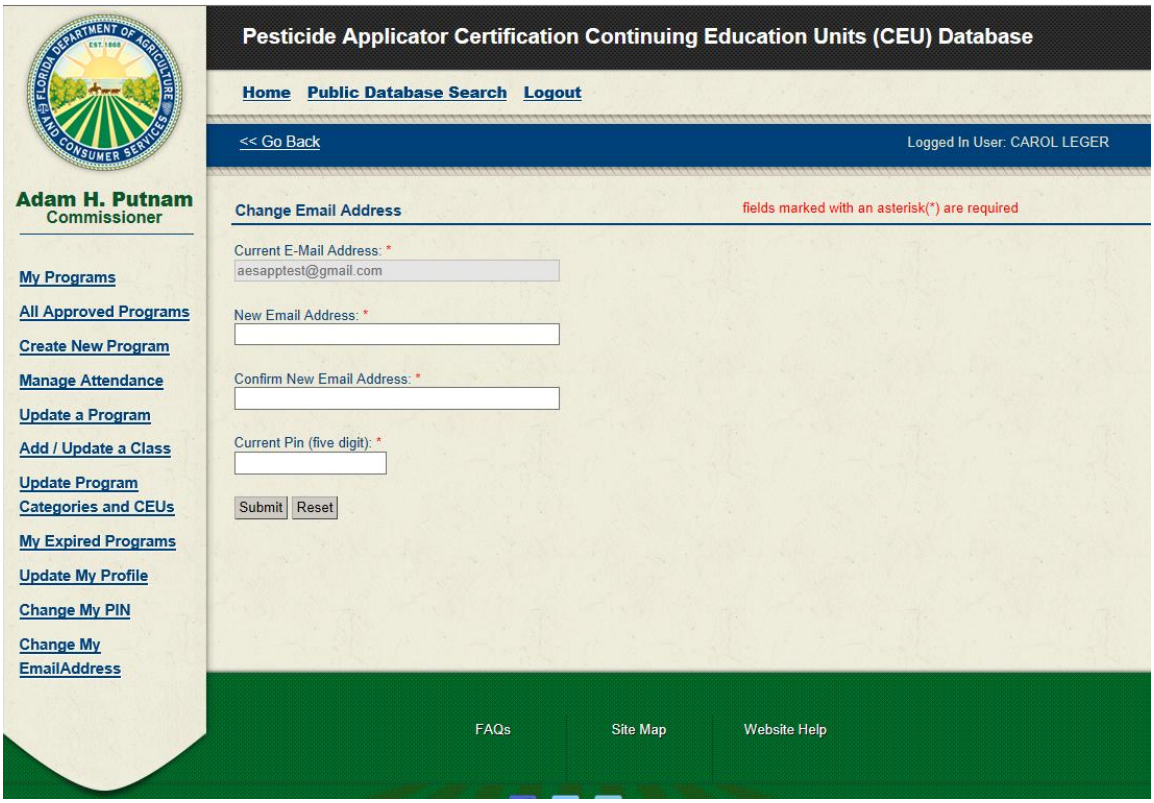
UPDATE MY PROFILE – brings up the sign up page. You can update your contact information. The email address is not updatable. The email address is your logon to the system and cannot be changed from this page. Use the CHANGE MY EMAIL ADDRESS menu option to change your email address and logon user ID. Use the Save button to save your changes.



CHANGE MY PIN – opens the page to change and set your own PIN. Follow the instructions on the page to change your PIN.



CHANGE MY EMAIL ADDRESS – opens the page to allow you to change your email address and user Id to log onto the system. Changing your email address is the same as changing your logon ID on the sign in page.



LOGON TO THE SYSTEM – the logon information is allowed to be changed by you. Please remember your logon information. If you use the CHANGE MY EMAIL ADDRESS menu link and change your email address, then on the below page, you MUST use the new email address to logon to the system.
